**Kendal Outreach, LLC**

**Join us for a morning that will focus  
on three key areas that impact  
resident safety and resident care  
outcomes. RNs earn contact hours!**

**FACULTY:**

A PARRI medication review training site since 2001, *Maryann Rubino*, Director of Nursing and Resident Clinical Care Services, Mt. View Care Center will present "*Managing Psychological Pain: Establishing Best Practice Standards*" that will outline strategies for psychotropic medication monitoring.

- *Janet Davis*, PARRI/Kendal Outreach, will explore the myths and review the FDA guidelines regarding bed and side rails in "*Diagnosing Danger: Examining Bed and Side Rail Entrapment*".
- Falls- and the process of managing them- remain a challenge in the nursing home setting. *Sara Wright*, PARRI/Kendal Outreach will share issues that need to be considered to improve fall risk assessment and care planning strategies in "*Focus on Fall Management*".

Given the daily realities providers face in the long term care setting, interactive discussion of the ongoing challenges to sustaining effective behavioral, safety and fall management strategies will be encouraged!

**Intended Audience:**

DONs, Nurse Managers, RNs/LPNs, Social Services, Staff Development, Administration, Consultant Pharmacists
